

Purley on Thames Parish Council

Declarations of Interest Summary

All councillors are required by law to complete a Declaration of Interests form to register their financial and other interests that could potentially conflict with their role as local councillor. They are also required to declare any interests at the start of any council meeting where that particular interest conflicts with some or all of the business to be discussed at that meeting. They may not take part in the discussion of or vote on those items in which they have a prejudicial interest.

This document summarises the Declaration of Interests forms submitted by Purley on Thames Parish Councillors. Where "None" entries have been made these have been omitted. The actual statements can be viewed at the Parish Offices during normal opening hours by appointment with the Clerk.
